E-News from the Law Enforcement Foundation

Dear LEF Supporter,

Welcome to the Law Enforcement Foundation's November e-newsletter - where we share the stories of your generosity in action.

PELC Graduation

Congratulations to you, our supporters! You have just helped 30 law enforcement managers graduate from the [Police Executive Leadership College \(PELC\)](#).

PELC is LEF's flagship program, designed to help those in ranks such as sergeant and lieutenant lead their departments with Fortune 500-designed principles.

PELC began over 10 years ago and now boasts almost 2,000 graduates, who are making our communities safer places to live, work, learn and play.

PELC's success has led to two additional related programs at the Law Enforcement Foundation: [Supervisor Training and Education \(STEP\)](#) that helps officers transition from peer to manager, and [Certified Law Enforcement Executive \(CLEE\)](#), which educates future police chiefs.

We congratulate our 30 PELC graduates as they continue their professional journey in law enforcement.
