Cardinal Health Foundation Awarded with Friends of the Foundation Award

At the 2012 Ohio Association of Chiefs of Police Annual Conference, the Cardinal Health Foundation was honored by the OACP and LEF with the Law Enforcement Foundation's "Friend of the Foundation" Award. Over the past 18 years Cardinal Health has contributed over \$103,000 to the LEF. With their support of the DARE program, Cardinal Health has partnered with us to prevent the use and abuse of drugs by our youth.

George Barrett, Chairman and CEO states: "At Cardinal Health we take our community role very seriously and are committed to being an engaged corporate partner. We strategically target our philanthropic support to results-oriented programs and partnerships that help improve the way healthcare is delivered and that promote healthy lifestyles."

Working through international relief agencies since 2001, Cardinal Health donated more than \$150 million in medical products, supplies and funding to provide disaster relief.

In partnership with many local and national organizations, Cardinal Health identifies critical issues and develops and implements cutting-edge initiatives. They leverage their resources and the resources of others to make a true impact on critical social issues.

We thank Cardinal Health for their support of Ohio's communities as well as the LEF.
