The Law Enforcement Foundation is proud to present

The Goodyear Tire & Rubber Company

with the Friend of the Foundation Award

The Goodyear Tire & Rubber Company has been a world leader in the field of tire safety and other safety related products from its beginning in 1898. Safety as a core corporate value is reflected in Goodyear's generous support around the globe of community programs that help create safe communities. Issues related to safe driving, child safety, safety forces, workforce development, literacy, science education, the environment, and more, all demonstrate Goodyear's leadership in corporate and community responsibility.

Since 1998 The Goodyear Tire & Rubber Company has generously donated over \$50,000 to the LEF, helping to maintain safer communities in the Greater Akron area. The LEF is proud to call The Goodyear Tire & Rubber Company a Friend and a partner in our efforts. The LEF wishes to thank Goodyear for its outstanding commitment to community programs.
