

SPRINGBORO
POLICE DEPARTMENT

JEFFREY P. KRUITHOFF
CHIEF OF POLICE

September 8, 2020

President William Balling
Ohio Association of Chiefs of Police
Dublin OH

Dear Mr. President,

The Professional Services Committee was contacted six (6) times during the past year by the OACP staff to assist a member Chief who was experiencing problems with their appointing authority or needed guidance on an issue facing his agency.

Most of these issues were able to be resolved through conversations or meetings with the member Chief. One issue required legal guidance, which was provided pro bono by Mr. Johnathan Downes. This particular situation has not yet been resolved, but will carry into further contact between the Chief and the Committee going forward.

The Committee stands ready to assist any member chief looking for guidance with an issue inside the department or between the members of the department and the elected officials of the community.

Sincerely,

Jeffrey Paul Kruithoff C.L.E.E.
