

## Memorandum

Date: August 28, 2020  
To: Chief William Balling, CLEE, OACP President  
From: Chief Dennis “Sean” Rahe, Chair, Publication Committee  
Subject: 2020 Publications Committee Report

Earlier this year I accepted the recommendation to serve as the Chairman of the OACP Publication Committee. With the help of our editor, Ms. Jackie Jordan, I am providing this annual update.

I wish to thank the Publication Committee for their input and efforts this past year. I look forward to working with you!

The Publications Committee continues to be committed to publishing a valuable resource of ideas and topics to OACP members twice a year. All efforts are being made to bring discussion of current law enforcement topics and police management issues.

We continue to reach out and ask our OACP members to contribute to the *Ohio Police Chief* magazine by providing articles, ideas for articles, or potential authors. OACP members with access to Ohio colleges and universities are also encouraged to seek articles from those involved in higher learning on criminal justice topics. If you have any recommendations, please contact your Publication District Representative, or Jackie.

We also wish to serve the membership needs in the best possible manner. The electronic version of the *Ohio Police Chief* magazine is easily accessed on the OACP website, [oacp.org](http://oacp.org) and is a considerable cost savings, so we will continue to offer the magazine in this format. Please give any suggestions for improvement to me or one of the committee members. We wish to be the best we can be.
